

# ULTRAFAST AND NONLINEAR OPTICS

## UFNO'2009

### SEPTEMBER 14-18, 2009

### BURGAS, BULGARIA

Participants are invited to take part in the International Conference on Ultrafast and Nonlinear Optics (UFNO'2009) to be held in Burgas, Bulgaria, 14-18 September 2009, which is organized by Sofia University (Bulgaria).

Topics of particular interest include, but are not limited to:

- ultrafast lasers and spectroscopy
- nonlinear phenomena and applications
- extreme nonlinear optics
- attosecond science

#### Programme Committee Members:

Algis Piskarskas (Lithuania),  
 Aleksay Zheltikov (Russia),  
 Dimitris Charalambidis (Greece),  
 Gerard Mourou (France),  
 Ivan Christov (Bulgaria),  
 Nikola Sabotinov (Bulgaria), and  
 Yuri Kivshar (Australia).

Organized in cooperation with The  
 Extreme Light Infrastructure (ELI)  
 European Project

The deadline for abstract submission is May 15, 2009. Applicants will be notified on abstract acceptance and sent manuscript instructions by email no later than June 15, 2009.
